

COVID-19 VACCINES, HOW WILL THEY WORK?

COVID-19
VACCINATION

As the COVID-19 vaccination program has commenced around Australia, it is important that practising members are knowledgeable about the process and the vaccines, to be able to inform their patients.

The Federal Government health website is a constantly updated resource that will provide members with all the current information.

Below are useful links:

1. These links provide information on the types vaccine and how they work, how they were developed and approved for use, their effectiveness:

<https://www.health.gov.au/initiatives-and-programs/covid-19-vaccines/learn-about-covid-19-vaccines/how-do-covid-19-vaccines-work>

<https://www.health.gov.au/initiatives-and-programs/covid-19-vaccines/learn-about-covid-19-vaccines>

2. These links provide information on the roll out of the vaccines, the priority phases and which groups of the population are included in each phase:

<https://www.health.gov.au/initiatives-and-programs/covid-19-vaccines/getting-vaccinated-for-covid-19/when-will-i-get-a-covid-19-vaccine>
