Choose Chinese medicine as your career path and join the growing worldwide trend in the Health and Wellness Industry. Study Acupuncture, Chinese herbal medicine and Chinese remedial massage to provide drug free treatments to maintain good health and well being.

WHY CHOOSE CHINESE MEDICINE?

- 1 There is a continually increasing demand for natural health care options by the public.
- 2 Chinese medicine is one of the 16 health professions nationally registered by the Federal Government.
- 3 Recognised by private health funds and Work Cover Agencies.
- 4 Increased public demand has generated world wide research showing the benefits of acupuncture especially for pain conditions.
- 5 A traditional medicine model that is truly holistic addressing the mind, body and spirit.
- 6 An ancient, subtle but powerful health care system originating in China thousands of years ago that can take you around the world because it is now practised in over 180 countries around the world.
